The Cure Of Childhood Leukemia Into The Age Of Miracles

...and his papers report on children's ...and she hypothesized that cancer could be treated as a disease. She began using high-energy therapy in combination with conventional chemotherapy to treat childhood leukemia. This approach allowed her to achieve long-term survival rates of up to 90%, which was a significant breakthrough in the treatment of childhood leukemia.

Online Library The Cure Of Childhood Leukemia Into The Age Of Miracles

Dr. Laszlo, a cancer researcher himself -- as was his father -- has great rapport with his colleagues, eliciting loads of ideas. Laszlo does not have an agenda, beyond that he values his late father, his professional friends, and their patients. The story of childhood leukemia did not end in 1954. In that year, Debbie was a lucky exception. To
